October Newsletter

Dear susan,

The newsletter now has a **printable version!** [Click here](#) to get a black & white, condensed version more suitable for printing.

How did October get here so fast? The Art Carnival is getting filled with Halloween and Autumn stamps, papers, and stuff. And I don't mean to rush things, but yes, Christmas items are starting to come in.

The class line up for October looks exciting: we have card classes, a bracelet class, an embossing powder class, a Copic class, an album making

Steampunk pieces,
art quilts, altered
dolls, fused glass and
more.

How Many Are Too Many?

Coming in any day is
the next set of Copic
markers, bringing the
number of colors we
sell to 144!

The bad news is that
there has been a price
increase on the
markers, effective
October 1st.

The good news is that
we have softened the
blow by offering you a
chance to purchase all
Copic products at 20%
off. We have started a
"Copic Club". For \$25
a year, you will
receive:

- a free gift (worth up to \$10)
- \$10 credit toward a Copic class taught at our shop, and
- 20% off all Copic products purchases for one year

What a deal!
