Techniques Smorgasbord Friday, Nov 7, 1:00-5:00

Help yourself to a full buffet of all the art you can make. Dabble in a wide variety of activities and start a techniques book containing samples and notes as you learn about metallic effects, textured surfaces and more. Play with lots of different media: paints, pastels, colored pencils, papers, etc. The perfect class for the person who claims "I'm not artistic."

Artist Trading Cards Tuesday, Dec. 9, 3:00-7:00

Don't have a lot of time to create art, or a lot of space to display it? Then come create masterpieces in miniature. Many techniques will be presented along with a wide variety of materials. Creating the cards, however, is only the beginning of the fun. These cards are made for trading. Learn how to join the extensive network of artists participating in trades and start building your own pocket-sized art collection. **Includes a "doggie bag" of materials to take home for continuing art-making.**

\$20

Additional classes and "art parties" can be arranged according to interest. Please phone for information.
